## Americans for Prosperity Applauds U.S. Senator Orrin Hatch

*-Signs No Climate Tax Pledge-*

WASHINGTON, DC—The free market grassroots group Americans for Prosperity (AFP) today applauded Utah Senator Orrin Hatch for signing the group’s “No Climate Tax Pledge.” Senator Hatch joins more than [550 bipartisan lawmakers and candidates](#) on the federal, state and local levels pledging to “**oppose legislation relating to climate change that includes a net increase in government revenue.**”

“The one thing elected officials should be able to agree on is that global warming shouldn’t be used as an excuse to hike taxes on citizens and businesses,” said AFP Vice President for Policy Phil Kerpen. “We encourage all of Utah’s elected officials and candidates for elected office to sign the pledge.”

Utah signers include: Senator Mike Lee and U.S. Representatives Rob Bishop and Jason Chaffetz.

“Using the guise of climate change to transfer dollars from hard-working citizens to bureaucratic big government is unacceptable,” said Kerpen. “Regardless of their stance on global warming, this should be common ground for all of our elected officials at all levels of government.”

The pledge is available online at [www.NoClimateTax.com](http://www.NoClimateTax.com). AFP does not endorse candidates. All elected officials and candidates are encouraged to sign the pledge and go on the record in opposition to using the climate change issue to increase taxes and grow the size of government.
