Americans for Prosperity Applauds U.S. Representative Doug LaMalfa

-Signs No Climate Tax Pledge-

CAMARILLO, CA—The California chapter of the free-market grassroots group Americans for Prosperity (AFP-CA) today applauded U.S. Representative Doug LaMalfa from California's 1st district for signing the group's No Climate Tax pledge. LaMalfa joins more than [400 bipartisan lawmakers and candidates](#) on the federal, state and local levels pledging to “**oppose legislation relating to climate change that includes a net increase in government revenue.**”

“The one thing elected officials should be able to agree on is that global warming shouldn't be used as an excuse to hike taxes on citizens and businesses,” said AFP-CA State Director David Spady. “We encourage all of California's elected officials and candidates for elected office to sign the pledge.”

Current pledge signers include: Majority Whip of the U.S. House of Representatives Kevin McCarthy; U.S. Representatives Tom McClintock, Jeff Denham, Gary Miller, and John Campbell; and State Senator Bob Huff.

“Using the guise of climate change to transfer dollars from hard-working citizens to bureaucratic big government is unacceptable,” said Spady. “Regardless of their stance on global warming, this should be common ground for all of our elected officials at all levels of government.”

The pledge is available online at www.NoClimateTax.com. AFP does not endorse candidates. All elected officials and candidates are encouraged to sign the pledge and go on the record in opposition to using the climate change issue to increase taxes and grow the size of government.
