Americans for Prosperity Applauds State House Candidate Mark Lowery *-Signs No Climate Tax Pledge-*

ROGERS -The Arkansas Chapter of the free-market grassroots organization Americans for Prosperity (AFP-AR) applauded State House candidate Mark Lowery (39th district) for signing its No Climate Tax Pledge. Lowery joins more than [620 bipartisan lawmakers and candidates](#) on the federal, state and local levels pledging to **“oppose legislation relating to climate change that includes a net increase in government revenue.”**

“Today’s economic climate calls for lower taxes. Individuals simply cannot afford higher taxes to offset perceived climate change” said Arkansas state director Teresa Oelke. “By signing our pledge, Mr. Lowery has shown that he is dedicated to limiting the size and scope of government spending.”

Arkansas signers include: U.S. Senator John Boozman; U.S. Representatives Rick Crawford, Tim Griffin and Steve Womack; as well as numerous state lawmakers and candidates for office.

“Using the guise of climate change to transfer dollars from hard-working citizens to bureaucratic big government is unacceptable,” said Oelke. “Regardless of their stance on global warming, this should be common ground for all of our elected officials at all levels of government.”

The pledge is available online at www.NoClimateTax.com. AFP does not endorse candidates. All elected officials and candidates are encouraged to sign the pledge and go on the record in opposition to using the climate change issue to increase taxes and grow the size of government.
