Americans for Prosperity Applauds U.S. Congressman Jim Sensenbrenner *-Signs No Climate Tax Pledge-*

MILWAUKEE—The Wisconsin chapter of the free market grassroots group Americans for Prosperity (AFP-WI) today applauded Congressman Jim Sensenbrenner (5th District) for signing the group’s “No Climate Tax Pledge.” Sensenbrenner joins more than [615 bipartisan lawmakers and candidates](#) on the federal, state and local levels pledging to “**oppose legislation relating to climate change that includes a net increase in government revenue.**”

“The one thing elected officials should be able to agree on is that global warming shouldn’t be used as an excuse to hike taxes on citizens and businesses,” said AFP-WI State Director Luke Hilgemann. “We encourage all of Wisconsin’s elected officials and candidates for office to sign the pledge.”

Wisconsin signers include: U.S. Senator Ron Johnson; Congressmen Sean Duffy and Reid Ribble, Governor Scott Walker; Lieutenant Governor Rebecca Kleefisch; as well as numerous state lawmakers and candidates.

“Using the guise of climate change to transfer dollars from hard-working citizens to bureaucratic big government is unacceptable,” said Hilgemann. “Regardless of their stance on global warming, this should be common ground for all of our elected officials at all levels of government.”

The pledge is available online at www.NoClimateTax.com. AFP does not endorse candidates. All elected officials and candidates are encouraged to sign the pledge and go on the record in opposition to using the climate change issue to increase taxes and grow the size of government.
